

UBUHLEBEZWE MUNICIPALITY

UPDATING OF SUPPLIERS DATABASE

UBuhlebezwe Municipality is opening its database for new and existing applications.

In compliance with the provisions of the Preferential Procurement Policy Framework Act No.5 of 2000, Preferential Regulation 2011 and the Municipal Finance Management Act No. 56 of 2003 and the relevant regulations, the uBuhlebezwe Municipality requires prospective providers of goods and services to submit completed database forms together with their company profiles in order to be registered on the Municipality's database.

Once the registration forms are received, those who comply with the requirements will be accredited and issued with an accreditation number.

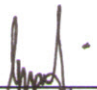

Only accredited prospective providers will be approached for quotations and no formal bids will be considered if accreditation numbers are not submitted with bid documents.

Application forms may be collected from uBuhlebezwe Municipality's reception or by downloading from uBuhlebezwe website.

For enquiries please contact Ms Buyi Makhanya on 039 834 7700

Please Note: All suppliers should indicate their Core business.

NB: Forms may be posted or hand delivered to the office during office hours, no faxes and emails will be accepted.
