

UBUHLEBEZWE MUNICIPALITY

VIREMENT POLICY: APPROVED BY COUNCIL ON 23/03/2023

1. INTRODUCTION

- 1.1. *Webster's New Millennium Dictionary of English* defines "Virement" as "a regulated transfer or re-allocation of money from one account to another, especially public funds"
- 1.2. A virement represents a flexible mechanism to effect budgetary amendments within a municipal financial year
- 1.3. Changing circumstances and priorities during a financial period may give rise to a need to virement (transfer) funds within or between approved Votes, as defined in the Municipal Finance Management Act 56 of 2003 (MFMA). The treatment of such instances may, however, be dependant on whether an adjustment budget is required or not.

2. PURPOSE

- 2.1 The Chief Financial Officer has a statutory duty to ensure that adequate policies and procedures are in place to ensure an effective system of financial control. A municipality's virement policy and its underlying administrative process within the system of delegations is one of these controls
- 2.2 Section 81(1) of the MFMA states *inter alia* that "The Chief Financial Officer of a municipality must advise senior managers and other senior officials in the exercise of powers and duties assigned to them in terms of section 78 or delegated to them in terms of section 79 of the act.
- 2.3 It is the responsibility of every Head of Department to which funds are allocated, to plan and conduct assigned operations so as not to expend more funds than budgeted and to ensure that funds are utilised effectively and efficiently.
- 2.4 Section 78(1) (b) of the MFMA states *inter alia* that "Each senior manager of a municipality and each official of a municipality exercising financial management responsibilities must take all reasonable steps within their respective areas of responsibility to ensure-..(b) that the financial and other resources of the municipality are utilised effectively, efficiently, economically and transparently;.."
- 2.5 This policy aims to provide guidelines to senior management in the use of virement as a mechanism in their day-to-day management of their budgets. In addition it specifically aims to empower senior managers with an efficient financial – and budgetary system to ensure optimum service delivery within the current legislative framework of the MFMA and UBUHLEBEZWE MUNICIPALITY's system of delegation.
